February got you down? Bundle up and Take a Hike!

Take a Sunday afternoon hike in the fields and woodlands of the Township's Cole Road Greenway! Located in the center of our township, its trails wind over some hills but mostly level ground along the edges of interconnected open fields and through woodlands. We will sample some of the trails, mostly on the western portion of this sprawling preserve. Please note: There are two trailheads with parking on Cole Road. Follow the directions above or on the website page for the Cole Road – East lot. We will walk about three miles over various types of habitat.
